## WELCOME TO 2016!

We are excited for the year ahead after a year full of change for us both personally and as a business. One of the changes that happened late in 2015 was Laurie "retiring" from TAFE. This opens up a lot of possibilities for students of all kinds coming in during the day.

Did you know that we not only help school students but also a variety of adults as well? We have helped adults to prepare for entrance exams, get a crane licence, nurses prepare for accreditation, report writing with teachers and university essay writing. We also took three preschoolers through School Readiness!

No new enrolment form is required BUT you will need to confirm that you are returning. The timetable will change slightly and you will need to make sure that you are booked into a suitable time slot. We cannot guarantee that the slot you had in 2015 is available.

## 1842 Sarah Wade/Ray/Boon

Sarah Boon was imprisoned in the debtor's prison when insolvency proceedings were initiated against her. Severe droughts between 1838 and 1839 caused countless bankruptcies.

In 1842 Sarah was ordered to appear in the Supreme Court to 'be examined and to make full and true discovery and disclosure touching all matters relating to your trade dealings according to law and herein fail not at your peril.'

Sarah's sworn statements give much information regarding her estate including "60 acres of land at a farm called *Borrobaine* near a creek of that name..."

In 1845 Sara's son-in-law, John Jenkins, purchased the mortgage debt.

Sarah Boon died at Picton in 1887; a century later her portrait was still proudly displayed at Wellington Park, Picton in 2012.

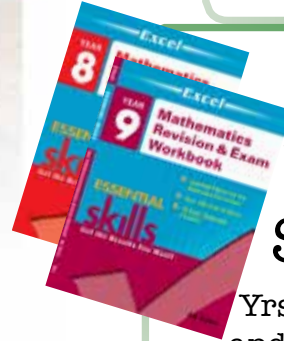

All information has been taken from Grist Mills, the Journal of Campbelltown and Airds Historical Society Inc Vol 25 No 3 and Vol 36 No 1. The article about Hollylea was written by Verlie Fowler. Used with permission.

### **CHILD SAFETY MATTERS**

All our tutors are appropriately assessed according to the Child Protection requirements. We seek to provide an environment that is safe, relaxed & enjoyable for students, parents and tutors. If you have any concerns, please bring it to the attention of Laurie or Denise..

## Please note this change!

### catch-ups & credits

A catch-up session will only be considered if you have given notice as early as possible that your child will not be attending. **Payment is required if the tutor is already in the centre when notified of absence.**

**It is up to you to organise the catch-up with the reception staff.**

The catch-up may be offered at another time or with another tutor.

A service fee of \*\$20 /session may be deducted where notice of absence is given after the term has started and a credit is requested. Fees are paid by the term, not individual lessons and your tutor is booked at the beginning of term for your student.

You will always get a full credit for tutor absence.
