## We moved!

We're delighted to share the news that we are moving from Chamberlain St to Hollylea House, Leumeah. The current property was sold by the landlord to developers and after a lot of looking around for suitable premises we were able to secure this beautiful, heritage listed property. We hope that you will take the opportunity to come and have a look. You are welcome anytime we are open!

We moved over the Easter break and will be ready to start Term 2 on Monday, April 20th

If you think that you will have any problem getting to Hollylea at your usual time, please contact us well before the first day, to reschedule. We will do everything we can to provide you with a suitable alternative.

You may also consider if it would be a good time to switch to Ambarvale if you live closer to that centre.

Not all tutors go to both centres so the sooner you talk with us the better it will be to get the tutor and time that you request.

### *Is there parking?*

Yes, there is plenty at the front, or at back and walk through to the front. There isn't designated parking so you can park wherever is vacant.

You can also park on the roadway near the skatepark if it is very busy.

Primary children are to be picked up from the building. We cannot be responsible for their safety once they leave the building.

For those interested in the history of the area, there are posters in the hallway where you can read a brief history of Hollylea House. You are welcome to come and read the story.

# Safety

As you can see, the House is two stories. Whilst we feel that the stairs are very safe, only high schoolers will be allowed up. If your highschooler has an issue with going up stairs, please speak to us.

The balcony is also "out-of-bounds" for everybody without permission from staff and suitable supervision. We don't want anybody leaning, climbing or pushing on the rails as we are not sure that they are 100% safe.

We also wish to assure students and parents that tutors are aware of the guidelines for child safety in regards to being alone in a room with students. This may happen from time-to-time. Now that there are upstairs rooms we will have communication available in the rooms and we will be careful to monitor what is happening. If ever you have any concerns at all in this area you must come and speak with the reception staff or Denise or Laurie. It is very important to us that Master Learning remains a safe place for all people who enter through the doors.

## FEES TERM 2 (10 weeks)

Fees are paid by the term.

Student Yr	1 session/term	2 sessions or siblings/sessions
K-10 group	\$450	\$400

## catch-ups & credits

A catch-up session will only be considered if you have given notice as early as possible that your child will not be attending. **Payment is required if the tutor is already in the centre when notified of absence.**

It is up to you to organise the catch-up with the reception staff.

The catch-up may be offered at another time or with another tutor.

You will always get a full credit for tutor absence.
