Helping our students to shine, without stress.

In partnership with Inner Space (psychologists in the Hollylea complex), we are preparing a 6 session course, "Study without Stress". The topics covered will help students identify areas of thinking and behaving that may lead to anxiety and stress preventing study from being effective. The skills presented will help students to face the exams with confidence. If you are interested contact us for details.

Writing a Killer Essay - 1/2 day seminar

Essay writing skills are essential for anybody doing the HSC and wanting to further their education. There are very few subjects that don't require the ability to write formally in response to a question. We at Master Learning have helped several tertiary students with their writing skills.

We will run the seminar on Saturday the 8th October 2pm - 4pm for students from year 10 up. Cost is \$50, or free for those who complete the "Study without Stress" course.

YOUR CHILD MUST BE PICKED UP...BY YOU!

BE AWARE!

- Your child's safety is very important to us but once they leave the House YOU are responsible for them. There has been a report of an attempted abduction in the complex and you need to come to the door and pick up your K-6 child. High School students should stay inside until they see their parent arrive and indicate to the receptionist that they are leaving. Students who drive themselves should also indicate that they are leaving and driving themselves.
- If you are going to be late, please call us so that we can look after your child inside.
- If you cannot come in, call us and we will watch your child walk to the car.

1869 - 1883

In 1869 William Ray was declared insolvent. *Borobine House* was listed as an asset on the insolvency papers.

One formal room downstairs contained cedar tables, chairs, sofas and sideboard, with pictures on the wall, workboxes and books, vases and candlesticks, birdcage and clock. The parlour had a pianoforte, chairs and sofa, whatnot, lloo-table, chiffonier and pictures on the wall. The dining room was furnished with cedar table and chairs, clock, etc. The downstairs bedroom had a cedar bed and a child's cot, washstands and commode chair. Of the two bedrooms upstairs, one had a double cedar bed and single bed; the second room had two double beds.

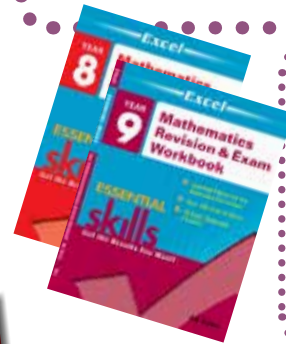

In an adjoining cottage there was a furnished bedroom and a spare room with bedstead. There was also accommodation for at least two servants, one sleeping in the dairy and another in the detached kitchen. In the yard were carts, drays, harness, ploughs, tools, tube and wash boilers for the outdoor laundry.

Borobine House was advertised for auction by Hardie and Gorman on behalf of Mrs William Ray in April, July and December 1883. It was described as 'The residence is 2-storey, brick, built on stone foundations, and contains 6 rooms, kitchen, storeroom, laundry, and dairy detached, also other out-offices.'

Tuition is a contract between Master Learning, the tutor, the student and the person paying the money! Master Learning provides you with an experienced and dedicated tutor who has spent time and effort preparing for your child. Just as you expect services for the fee, the tutor has dedicated the time contracted to you and expects to be paid. Remember, you are contracting the tutor for a term of tuition, not individual sessions.
