We have had a great term with over a 130 students receiving high quality tuition. It is wonderful to see students passing exams for the first time and others gaining confidence that is spilling over into their general school life experience. Do you have a comment on how tuition has helped? Add a comment to Facebook, or a review on Yelp, if you would like to help others decide if Master Learning really helps!

To help you provide what is needed for your child, we now have Casio scientific calculators and Excel maths books Yr7-10 on sale at very good prices. You don't have to be receiving maths tuition to get the deal. These are available at both centres from the reception desk.

TERM 4 DATES

catch-ups & credits

- A catch-up session will only be considered if you have given notice as early as possible that your child will not be attending.
- It is up to you to organise the catch-up with the reception staff.
- The catch-up may be offered at another time or with another tutor.
- You will always get a full credit for tutor absence.

CHILD SAFETY MATTERS

All our tutors are appropriately assessed according to the Child Protection requirements. We seek to provide an environment that is safe, relaxed & enjoyable for students, parents and tutors. If you have any concerns, please bring it to the attention of Laurie or Denise so that we can address the issue.
