Welcome to the New Year! We are looking forward to a very exciting year with some new programmes and some exciting changes in second term. We are also looking at offering Saturday tuition. Let us know if this would suit you better. We will have new tutors available as our working school teachers deserve to have Saturday off!

For the first time we are going to be running holiday programmes. Master It! is for primary children, those going into Yr 7 maths and our HSC students. They all run for two hours in the week beginning 19th Jan and pre-booking and payment are essential as there are limited spaces available. These will all be at the Ambarvale Centre. You will find more information about these with this newsletter.

NEW ENROLMENT FORMS FOR 2015

Tuition is a commitment and a contract between Master Learning, the student and those who pay! We need to make sure your details are correct. We have changed the form slightly AND you must also sign a Fee Form to indicate how you are paying.

Our timetable has changed!

There are more spaces available at Ambarvale for primary with Tammy, English with Semir and Maths with Medhat.

Tammy and Susan will only be at Ambarvale.

And we are opening Saturday!

Campbelltown has tutors for primary, Maths and English available.

Places are limited for all timeslots so contact us as soon as possible to book your preferred time.

catch-ups & credits

A catch-up session will only be considered if you have given notice as early as possible that your child will not be attending. Payment is required if the tutor is already in the centre when notified of absence.

It is up to you to organise the catch-up with the reception staff.

The catch-up may be offered at another time or with another tutor.

You will always get a full credit for tutor absence.

CHILD SAFETY MATTERS

All our tutors are appropriately assessed according to the Child Protection requirements. We seek to provide an environment that is safe, relaxed & enjoyable for students, parents and tutors. If you have any concerns, please bring it to the attention of Laurie or Denise so that we can address the issue.

EXCEL

MATHS

Yrs 7-10

\$18

Yrs 11 and 12 Maths and other Excel books may be ordered.
